POLLUTION IN INDUSTRIES
ABDUL RASHID SHAHEEN;BALIRAM;CHANDRAKANT BHAURAO KHAIRE

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) the names of industries in the country polluting the environment, State-wise and territory-wise;

(b) whether the Government propose to take any action against these units or to ask them to install treatment facilities; and

(c) if so, the details thereof and the time by which the country would be made pollution free?

Answer

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI)

(a) The Government have identified 17 categories of highly polluting industries to control pollution from these industries. State-wise/territory-wise status of 17 categories of defaulting industrial units is given in Annexure.

(b)&(c)Out of a total of 1551 units, 1324 units have provided pollution control facilities, 165 units are closed and 62 units are defaulters. Action against the defaulting units has been initiated under the Environment (Protection) Act,1986.
